Re: Goetz v. Trans Union LLC, et. al. 5:11-CV-1147

Dear Judge Baxter:

I am requesting that the In Person Initial Rule Conference, currently scheduled for March 1<sup>st</sup>, 2012 at 2:30pm, be rescheduled to the next available date and time on or after March 20, 2012. The reasons are twofold. First, as I homeschool my six year-old son along with his mother, the 1<sup>st</sup> of March happens to be one of the three days he is with me during the week. Normally I could arrange for him to be with his grandparents in such a situation like this, but unfortunately they are on vacation through the 7<sup>th</sup> of March and I have been unable to find a reasonable substitute, as the schedule of his mother is fairly well set in stone. Secondly, I have conferred with Mr. Haddad on this issue, the attorney of record for Defendant Experian Information Solutions, Inc. who assures me that he has no objection with the initial conference being rescheduled. Furthermore, he informed me of his own limited availability for two brief periods in March, the last one ending on March 19<sup>th</sup>. So for the benefit of all parties involved, I am requesting that the initial conference be rescheduled to occur on or after March 20<sup>th</sup>, 2012 for the foregoing reasons.

Respectfully yours,
